The Loyola Campus of Concordia University will be a beehive of activity this summer with the inauguration of the Concordia All-Sports Day Camp and Fast Break Basketball Camp.

Fast Break, which has run basketball camps for the last 12 years on the West Island, in the Eastern Townships, and Ottawa, makes its first appearance on the Montreal island in six years. Camp Directors Mike Hickey and John Dore stress that the emphasis of the camp is on learning the fundamentals of the game in a fun-filled environment.

"Our goal has always been the individual development of each camper," Dore, the Canadian Interuniversity Athletic Union Coach of the Year, stated. "Our motto is fundamentals first and we strive to maintain an excellent staff-camper ratio."

The day camp is divided into three areas; teaching stations, major lecture by guest instructors and games.

Hickey believes that the camp's success is related to the high calibre of the staff. The former National Team and Quebec Team coach pointed out that each camp staff includes noted university, college and provincial team coaches.
